1. Log onto <http://www.kp.org/>
2. Click on Doctors & Locations
3. Choose your region:

California - Southern

4. Search by Doctors, locations, zip code or city

What can we help you find?

Search type

Doctors OR Locations

Region

California - Southern

OR

ENTER ZIP CODE

92114

5 digits only

DISTANCE

WITHIN 10 MILES

OR

Select city

TIPS!

Review that the physician you choose is accepting patients and that they are in the location you wish to use.

You can also do a search by using your location

Specific location

You and your enrolled dependents can each have your own PCP.
You do not have to be with the same doctor for all family members.
