Old Business

a. Status of Classified Senate Award. Nomination process for May 19th deadline went smoothly. Individual committee members selected their top 3 choices from the 12 nominations. All agreed that the information on the nomination sheet should be more specific requesting that merits of the individual be articulated in the nomination text. Maggie suggested that we have a point person to assist with the writing for future nominees. Maggie volunteered for Cuyamaca and Pat agreed to assist those at the district and Grossmont.

Corrections were suggested for the “thank you/acknowledgement letter” going out to the individuals who made nominations for the July award.

Rocky suggest asking each senate officer to invite someone to be nominated. The final selection will be announced after the next DEC meeting. The name being sent forward is Ray Reyes - his nomination had the highest count of merits and votes.

Grossmont, Cuyamaca & District Council Reports
