### **Cuyamaca Classified Leadership Recruitment**

I have requested my leave and my last day will be June 27<sup>th</sup>.

I am creating a video which will include Classified Senate duties and responsibilities in order to recruit more classified employees for participation in Cuyamaca.

I have sent two emails to Jennifer Moore one about classified senate volunteering and the other just reminding her about the meet n greet where she could ask me questions about the senate's duties and role within the college.
