

Classified Professional Day(s) 3/29/2021 – 4/1/2021

Classified Professionals Day(s) is your opportunity to learn, engage, grow professionally – and an event to recognize your invaluable work in support of students and others.

Rather than a single-day event, this year’s virtual activities will take place in different time slots over the course of four days – March 29, 2021-April 1, 2021 -- to give you the ability to build your own schedule.

Registration will take place in the Vision Resource Center (VRC). Please click a link below for the session, date, and time you would like to attend and a VRC webpage will open. Click “REQUEST” to register for the session. If you are prompted to log in to the VRC, please use your GCCCD email and password. Zoom links will be sent closer to the event date. Email alyssa.brown@gcccd.edu with registration questions.

The first 200 individuals to register for any session will be invited to a drive-thru event for a GCCCD giveaway!
