#### INDEPENDENT AUDITORS' REPORT

We have audited the accompanying statement of financial position of the Cuyamaca College Foundation (the "Foundation") (a California Nonprofit Corporation) as of June 30, 2008, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Cuyamaca College Foundation as of June 30, 2008, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Cuyamaca College Foundation (A California Nonprofit Corporation) Notes to Financial Statements June 30, 2008

#### **NOTE 1 – ACCOUNTING POLICIES**

The significant policies followed by Cuyamaca College Foundation (the Foundation) are described below to enhance the usefulness of the financial statements to the reader.

#### Organization and Nature of Activities

The Foundation was formed pursuant to the not-for-profit corporation laws of the State of California as an auxiliary organization of the Grossmont-Cuyamaca Community College District (the District) in accordance with the provisions of Section 72670 of the California Education Code for the primary purpose of encouraging public awareness, the receiving contributions and, in turn, the making of donations to, and otherwise aiding and supporting Cuyamaca College (the College). Should the Foundation be dissolved, its assets remaining after payment of liabilities shall be distributed to the College.

#### Basis of Accounting

The financial statements of the Foundation have been prepared on the accrual basis of accounting and accordingly, reflect all significant receivables, payables, and other liabilities.

#### Revenue Recognition

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted depending upon the existence of any donor restrictions. The Foundation did not have any permanently restricted net assets at June 30, 2008. All donor-restricted contributions are recorded as increases in temporarily restricted net assets depending on the nature of the restriction. When a restriction expires, either by passage of time or satisfaction of purpose, the temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as "net assets released from restrictions".

#### Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Income Taxes

The Foundation is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation. Accordingly, no provision for income taxes has been provided in the financial statements. The Foundation annually files Forms 990, 199, and RRF-1 with the appropriate agencies. There was no unrelated business income for the year ended June 30, 2008.

Cuyamaca College Foundation (A California Nonprofit Corporation) Notes to Financial Statements June 30, 2008

#### NOTE 1 - ACCOUNTING POLICIES (continued)

#### Cash and Cash Equivalents

For the statements of cash flows, the Foundation considers all highly liquid debt instruments purchased with an initial maturity of three months or less to be cash equivalents.

#### Investments

The Foundation has adopted Statement of Financial Accounting Standard (SFAS) No. 124, *Accounting for Certain Investments Held by Not-for-Profit Organizations*. Under SFAS No. 124, investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in unrestricted net assets if the restrictions are met (either by passage of time or by use) in the reporting period in which the income gains are recognized.
