

## **Budget and Year-End Update**

Good news as we close-out year end: July updates reduced the deficit, brought us an additional prior year adjustment, and an increase in lottery revenues. This increase of \$1.4 million will flow through the Adoption Budget formula in the new fiscal year.

The 2015-2016 Adoption Budget will be presented at a joint Governing Board and District Strategic Planning & Council workshop on Tuesday, September 1, 2015, beginning at 4:00 p.m., in the Cuyamaca College Student Center.

## **Campus & Parking Services (CAPS) Update**

Call boxes at Cuyamaca College have been freshly painted with a new **safety blue** color.

Call boxes at Grossmont College will be painted next.

## **Employee Benefits**

Human Resources is excited to promote two benefit offerings for eligible employees. This special enrollment period runs from now to September 1, 2015. These benefits will be effective on October 1, 2015:

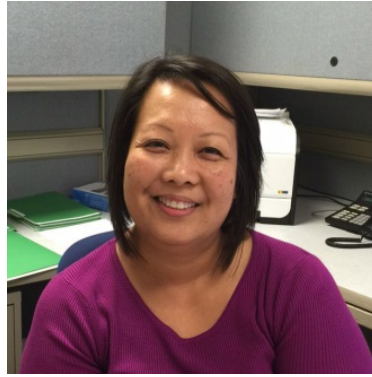

- **The Hartford – Voluntary Term Life Insurance, Voluntary AD&D Insurance**  
Eligible employees will have the opportunity to enroll in or increase current insurance coverage up to the guaranteed issue of \$150,000 (previously \$50,000) with no medical questions asked.
- **Colonial Life – Voluntary Insurance for Accident, Cancer, Critical Illness, Short Term Disability, Hospital Confinement**  
The District is partnering with Colonial Life to offer benefit choices for employees to enroll in that will provide added financial protection for employees and their families.

Enrollers are onsite to help employees review the new benefits and complete enrollment all in one session. Please refer to the recent email communication for dates and times to see an enrollment representative.
