

**Campus & Parking Services (CAPS) Update**

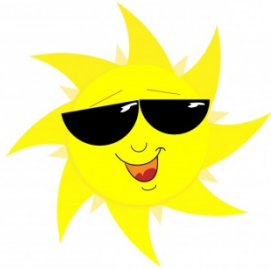

CAPS have been busy getting ready for the Fall semester with new signs and other improvements:

## District Services **STAR** Award

The District Services **STAR** Award is a quarterly award that recognizes, affirms and supports examples of outstanding teamwork and dedication by any employee within District Services. For the June quarter, there were 23 Star Award recipients.

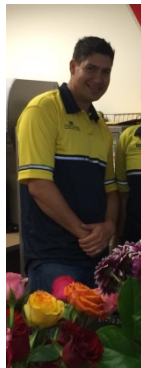

## District Services *Fun Thursday*

District Services staff enjoyed another quarterly *Fun Thursday* on June 18, with a *Fun in the Sun* ice cream social. Staff stayed cool with a variety of ice cream and toppings.

## Welcome to District Services

District Services welcomed Laura Murphey, Systems Analyst, to the District Information Systems department last month. Laura's office is located in building 86, room 819. Stop by and say welcome to Laura!

District Services also welcomes our two newest Campus & Parking Services (CAPS) members: Leomar Huhnke (left), Joel Lopez (center) and Yosaren Panza (right)

Leomar, Joel and Yosaren are located in the CAPS office, building 57, room 100. Stop by and say welcome to Leomar, Joel, and Yosaren!

Jacqueline Hall is now working as the Energy Specialist for the Grossmont-Cuyamaca Community College District Energy Conservation Program through her employer, Cenergistic. Jacqueline will be working on both college campuses analyzing the schools' data consumption and implementing strategies for savings. Jacqueline's office is located in the District Facilities Planning trailer, building 88.
