

ENHANCED RECYCLING ACROSS THE DISTRICT

Single-stream recycling is coming! Beginning July 1, employees can recycle more materials in their blue recycling containers in offices and classrooms. This effort means that fewer items will be sent to landfills. Items that can be recycled include:

- Paper
- Food and beverage cans and cartons
- Glass bottles and containers
- Empty water bottles
- Flattened cardboard and paperboard

Thanks to the District Sustainability Committee and site facilities teams for helping us all take steps forward to make a difference for our environment.

GUIDED PATHWAYS WORKSHOP

Sean Hancock, Vice Chancellor for Student and Institutional Success, led a districtwide Guided Pathways Forum, a collaborative opportunity for both colleges to seek out ways to advance Guided Pathways efforts.

The keynote speaker was Michael Poindexter, National Guided Pathways Coach and CEO of Engaging You, LLC. He said equity should be foundational and urged that resources be directed to remove barriers to student success. Participants then reviewed the four pillars of guided pathways: Creating the path; Helping students to enter their pathways; Helping students to stay on their path; and Ensuring that learning is happening with intentional outcomes.

WELCOME TO OUR NEW EMPLOYEES

Victoria Rodriguez is a research and planning analyst in Research, Planning and Institutional Effectiveness. She previously was a post-doctoral fellow in the psychology department at the University of San Diego. The native of San Antonio, Texas holds a Ph.D. in Developmental and Psychological Sciences from Stanford University's Graduate School of Education and a bachelor's in psychology from St. Edward's University in Austin, Texas.

CLASSIFIED SCHOOL EMPLOYEES WEEK

During Classified School Employees Week May 20-24, the Classified Senates at all three sites, CSEA and district Human Resources joined forces to put on a week of activities, including free donuts and apples, an ice cream social, breakfast burritos and team-

building sessions, such as Name That Theme Song and Dress-Up Relay at Grossmont.
