Operations

Governing Board Self-Evaluation—The Board performed a self-evaluation regarding its policy role, strategic planning, Board relations, community relations and advocacy, Board leaderships, ethics, and standards of conduct. Board Members considered the responses to their self-evaluation survey, as well as feedback survey responses from Districtwide Executive Council Members. Board Members reviewed the 2009/10 goals and assessed performance. There was discussion on ways to enhance Board to District community communications.

Development of 2010/2011 Governing Board Goals—Building on its 2009 evaluation finding, Board Members considered key priorities to best guide their work in 2010/11. They agreed that good progress had been made toward the 2009 communication and development goals. There was consensus among Members to adopt the 2009/10 Board goals as over-arching goals, with some amendment to enhance Board to District community communications. In addition, Board Members reviewed the 2010-2016 Grossmont-Cuyamaca Community College District Strategic Plan, and agreed that they should play an active role in overseeing progress toward supporting college and District Services' activities that support achievement.
