GOVERNING BOARD RESOLUTION FOR EMERGENCY WAIVER – Grossmont College Building 10

**Grossmont-Cuyamaca Community College District
Resolution 21-010**

On Motion of Member Adams, seconded by Member Justeson, the following resolution is adopted by the Governing Board of the Grossmont-Cuyamaca Community College District:

WHEREAS, immediate action needs to be taken to repair the chilled water line running from the main chiller on the Grossmont College campus to Building 10, which houses a number of student services including Admissions and Records, Financial Aid, Counseling, Cashiers, and others. The building also houses the offices of the President and the members of President’s Cabinet, and the Academic Deans; and

WHEREAS, the failure of the chilled water line means that there is no air conditioning in Building 10. While fans are running to circulate air and the heating is operational, the air conditioning is not functioning. Due to the upcoming summer temperatures and the potential impact on student services, the considerable time involved with the competitive bid process for the temporary fix may not be feasible.

WHEREAS, Public Contract Code section 20113 (school districts) / 20654 (community college districts), as further defined by Public Contract Code section 1102, provides that school districts/community college districts may, with the unanimous approval of the governing board and approval of the county superintendent of schools, contract for the performance of labor and purchase of materials without advertising for or inviting bids in an emergency when such work is necessary to permit the continuance of existing school classes or to avoid danger to life or property;

NOW THEREFORE, be it resolved that the Governing Board of the School District has determined that these circumstances constitute an emergency condition and request approval from the county superintendent of schools to enter into any contracts necessary to repair the Grossmont College Building 10 chilled water line without advertising or inviting bids pursuant to Public Contract Code section 20113 (school districts) / 20654 (community college districts) and Public Contract Code section 1102.

PASSED AND ADOPTED by unanimous vote of the members of the Governing Board of the Grossmont-Cuyamaca Community College District this 18th day of May, 2021 by the following vote:
