

## DEPARTMENT PAGE TEMPLATE LAYOUT/OPTIONS

### TOP/MAIN AREA

The screenshot shows a web page layout for a department. At the top, there is a yellow banner with the text "TOP/MAIN AREA". Below this is a navigation bar with tabs for "Future Students", "Current Students", "Alumni & Friends", and "Faculty & Staff". To the right of these tabs is a search box labeled "Find People:" and logos for "WA WEB ADVISOR" and "Bb BLACK BOARD".

Below the navigation bar is a dark blue header section. On the left is the Cuyamaca College logo. To the right are five icons representing different services: "Programs & Departments", "Student Services", "Campus Life", "News & Events", and "About Us".

Below the header is a breadcrumb trail: "Home » Programs & Departments » American Sign Language". To the right of the trail is a "Breadcrumbs" button. Below the breadcrumb trail is a "Department Title" box containing the text "Department Title". An arrow points from this box down to the main content area, which features the heading "American Sign Language" and a paragraph of placeholder text: "Lorem ipsum dolor sit amet, consectetur adipiscing elit. Vivamus ut erat faucibus, venenatis magna vitae, mattis ligula. Fusce mi turpis, pulvinar placerat nibh ut, semper semper eros. Sed risus libero, lacinia ultrices blandit eu, tincidunt id eros. Proin tincidunt pulvinar tempus. Ut nec vulputate dolor. Duis sapien urna, accumsan sit amet molestie vel, gravida at erat. Phasellus rutrum est neque. Fusce vel ultricies turpis. Aliquam scelerisque est et turpis consequat, eget pellentesque diam dignissim. Curabitur eros nisl, vehicula ac massa".

On the left side of the main content area is a "Left Navigation" menu with the following items: "Programs & Departments", "Academic Departments and Disciplines", "Continuing Education", "Professional Development Academy", "Graphic Design", "Administrative Departments", and "Administration of Justice".

At the bottom of the page, there are two boxes: "Left Navigation" and "Main Content". Arrows point from the "Left Navigation" box up to the left navigation menu, and from the "Main Content" box up to the main content area.

## DEPARTMENT PAGE FEATURE DESCRIPTIONS

- **Main Content (WYSIWYG):** text, links, images and more– the functionality of this area is similar to MS Word.
- **Left Navigation:** the left navigation allows you to organize and navigate through the site. You may change what is displayed on the left navigation.
- **Breadcrumbs:** shows the path to the current page – a user can click a page in the breadcrumbs path and return to that page. This information is pulled from the *Display Name*.
- **Department Faculty:** This feature provides a list of all faculty members in the department, their contact information and a link to their personal site if they have one.

## Optional Features on Department Page (Please see Standard Page Options for Display and How-tos)

- **Impact Image:** An Impact Image will display on the top of the page.
- **Left Column:**
  - Call to Actions: This will create a “button” that will redirect you to important information.
  - Contact Information: Allows you to display contact information for your department or yourself.
- **Right Sidebar/Column-Widgets:** This will add a new column on the right side of the page. The Widgets available to you include: *Content, Events, RSS Feed, Video, Image and List of Links*.
- **Supplemental Content**
  - Accordions: an accordion heading will drop down when clicked and display additional information.
  - Buckets: a bucket heading and image will link to another page – text can be added below the image.
- **Google Map:** You have the option to insert a location on your page using Google Maps.
- **Last Updated Date:** This option will show when your webpage content was last updated.
