**INFORMAL BIDDING CONTRACTORS LIST APPLICATION**

On November 14, 2021, the Grossmont-Cuyamaca Community College District (“District”) adopted a resolution making the District subject to the California Uniform Public Construction Cost Accounting Act (“CUPCCAA”). In accordance with CUPCCAA and Public Contract Code 22032:

- Public projects of \$60,000 or less may be performed by force account or by negotiated contract.
- Public projects of \$200,000 or less may be let to contract by informal procedures set forth in the Act.
- Public projects of \$200,000 or more require formal bids.

Contractors interested in bidding on District public works projects with an estimated cost of \$200,000 or less are required to **complete and submit an Informal Bidding Contractors List Application** in order to be placed on the District’s Informal Bidding Contractor’s List.

In November 2022, the District will again issue an invitation for interested contractors to complete and submit an application in order to be placed on the District’s Informal Bidding Contractors List in effect during the following calendar year, with a similar invitation issued annually thereafter. Contractors may request to be added to the Informal Bidding Contractor’s List at any time.

All contractors on the District’s Informal Bidding Contractors List for the category of work being informally bid will be notified of the opportunity to bid as those opportunities arise. The District makes no guarantee, either express or implied, that submission of an application will lead to a contract award.

Please email completed application to the District Purchasing and Contracts Department at [District.Purchasing@gcccd.edu](mailto:District.Purchasing@gcccd.edu).
